

Daniel

“Just A Little Off The Top”

Daniel 4

Babylon consists of more than geography; it is a mentality

Restoration can happen when you acknowledge that Heaven rules (verse 26)

When you give the credit to yourself, it is called a biography
When you give the credit to God, it is called a testimony

What was pride's cure?

- He raised his eyes towards heaven (verse 34)
- He chose to exalt the King of Heaven (verse 34)
- He recognized that what he thought he was the author of was actually a gift (verse 36)
- He acknowledged that God does everything right and His ways are just (verse 37)
- He chose to humble himself rather than continue to be humiliated (verse 37)
